Year 2 Newsletter 10

Friday 20th November

Dear Parent/Carers,

Spellings: 19.11.26 Test: 26.11.26

This week's focus: -s and -es

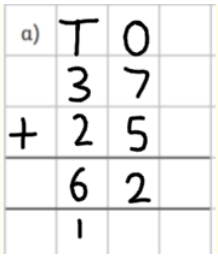
snacks	books	birds	chairs
boxes	brushes	wishes	pitches

In English this week, we have created our own witches! We have seen a variety of different types of witches such as Space Witches, Jungle Witches, Arctic Witches and Ocean Witches. We have then decided what they look like, where they live and what behaviours they have. This has helped us create our own information text and write an introduction, appearance and habitat.

In our Maths lessons this week we have continued to look at crossing the tens boundary when adding.

1. First, we must count the ones and recognise that there are more than 9 ones. We know that we can only have a maximum of 9 in the ones column once we have added the ones together.

2. Then, once we have added the ones (in this example there are 12), we must exchange ten ones for one ten. We set it out like this:



In our DT lessons, we will soon be creating our very own fairground wheels! To be able to do this, we will each need a small cardboard box. If you have any cardboard boxes that are ready for recycling, we would massively appreciate these!

Children are invited to design their own logo for our new PTFA. It costs 50p to enter and the winning design will be used as the face of our PTFA!

As we no longer give Maths and English Homework, we expect children to be reading their reading book daily to support their fluency. Please make sure you sign your child's reading diary so we can praise your child for reading at home!

We would also like to say a big thank you to all those in 2P who have kindly donated buns this week. It will be 2K's turn to bring buns next Friday!

Thank you for your continued support, Miss Parker and Mrs Keane 😊
