Dear Parents,

From 1<sup>st</sup> November 2016 we will be offering parents the facility to make payments online for school activities such as dinners, trips, swimming, fruit and uniform.

Our new [Schoolmoney.co.uk](http://Schoolmoney.co.uk) facility will provide a more streamlined, cost-effective and efficient payment collection system in a secure and safe environment.

From time to time you will receive an email or text message from school inviting you to access the school money website as an option to make a payment for an activity. We would appreciate your support in this matter, as for the system to work effectively, we will need as many parents as possible to pay online.

When the system goes live on 1<sup>st</sup> November all parents will receive either a text message or an email with notification of your password and how to log on. Further information can be found on the school website.

To ensure that we all experience maximum benefit from this service, we would ask you to notify us if you have recently changed your mobile number and/or email address.

Thank you for your cooperation in this matter.

Yours sincerely

Mrs Lynn Daveney  
Headteacher
