

## Year 1 Newsletter

Friday 11<sup>th</sup> January 2019

Dear Parent / Carer,

Happy New Year! We hope that you have had an enjoyable holiday.

In Literacy, we have been writing about the adventures of Quorb (our class alien). Quorb has been helping us with our phonics by introducing two new sounds – **oy** like in boy and **ir** like in girl. Next week, we will follow a pattern to plan and write our own poems based around the circus.

This week in Numeracy, we have been exploring doubles. Next week, we will be looking at equal and unequal groups, in preparation for multiplying by 2 and 5.

On **Thursday 17<sup>th</sup> January**, we will be having a Circus day to launch our new CCL topic. During the course of the day, we will have the opportunity to enjoy a variety of circus themed activities such as juggling and balancing. These will include face painting, tasting popcorn and candy floss and making circus headbands and masks. If your child is unable to eat the popcorn or candy floss or have their face painted, please let us know via the orange home school book. **On the day, the children are invited to come to school dressed in brightly coloured clothes or circus themed costumes if you wish. If you have any appropriate dressing up clothes/toys that we could borrow for our circus role play area, we would also be very grateful!**

We look forward to meeting with you all on 22<sup>nd</sup> or 24<sup>th</sup> January when the next Parent Consultations will be held.

Many Thanks  
Year One team
