

Reception Newsletter

Friday 1st February 2019

Dear Parents/Carers,

In Literacy this week, we have learnt the 'er' and 'ure' sounds. In addition, we have revised all the phase 3 two and three letter sounds. Also, we have been practising forming the letter d which has helped us to learn to write lots more new words. Please encourage your child to practise their writing in their handwriting books. Next week in class, we will be focusing on writing captions and short sentences and revising all of our tricky star words learnt so far.

In Numeracy, we have been continuing our learning about taking away and have been taking pirate treasure out of the treasure chest and working out how many pieces of treasure we have left. We have then worked together to record the subtraction number sentence.

We have also used money in the snack area to pay for the different priced labelled fruits at the till. Next week in Numeracy, we will begin our learning on measuring and will start by measuring our heights, putting each other into height order. We will then be comparing our heights to the height of an Emperor Penguin.

This week, we have enjoyed sharing The Stick Man story and have been writing post cards and speech bubbles from the Stick Man to his stick family. Next week, we are going to be finding out all about Chinese New Year. This year it is the Year of the Pig.

The next open door session will be for Miss Mason's class on Tuesday 5th February at 2:30pm. There will be no open door on Tuesday 12th February.

This week's 'Talking Topic' is:

Which coins can you recognise?

If you do have any concerns or questions do not hesitate to ask Mrs. Brook and she will ensure the Reception team is informed.

The Reception Team

Name: _____

February 2019

Can you recognise and add the coins to find a total?

	
	
	
	
	

Write some jottings here to help you:

e.g.

$$\underset{\cdot\cdot}{2} + \underset{\cdot\cdot}{2} + \underset{\cdot\cdot}{2} + \underset{\cdot\cdot}{2} + \underset{\cdot\cdot}{2} =$$
