### Harvest Festival

We are pleased to be supporting SmartMove again, a charity which helps homeless and vulnerable people to get back onto their feet. Dominic and Beth from the charity came to speak to the children in assembly.

#### Donations of non-perishable goods such as:

rice, pasta, oats, cereal, pulses, sugar and tinned food, toiletries such as shower gel, soap, tooth paste, tooth brushes etc would be greatly appreciated.

*If you and your child wish to contribute to this year's Harvest Appeal, please bring donations into school until Tuesday 15 October and give them to the class teacher. Many thanks in anticipation of your support.*

### Website

We have been busy updating the curriculum section of the school website which will hopefully enable parents and carers to see the learning that pupils are undertaking in class. Subject leaders are in the process of reviewing each subject in turn with a view to exploiting even more links across the wider curriculum so keep revisiting the website to see what your children are up to as we will continue to update as reviews are completed!
