

Dear Parents/Carers,

In Literacy this week, we have written our first, 'Big Write' in which the children wrote a setting description about Cackle's academy from 'The Worst Witch'. We have been impressed by their creativity and how they have completed an extended piece of work. Children were given time to edit and up level their work and we really enjoyed reading their writing. Next week, we will begin a new unit linked to performance poetry.

I	= 1
V	= 5
X	= 10
L	= 50
C	= 100
D	= 500
M	= 1000

In Numeracy, we have moved on to our 'Addition and Subtraction' topic. This week we have focussed on adding and subtracting multiples of 100 up to 1000 and the children have been using different apparatus to help them with their understanding of this, such as counters and sticks and bricks.

In CCL, we have completed our puppets and are really pleased with the results. The children have become more confident and creative in each sewing session. A big thank you to all who were able to come along to our sewing sessions. ☺ Next week, we will be working in our story groups, rehearsing each story so we are ready to perform to our Year One audience. Many skills will be needed to make sure we are ready for our puppet shows - such as controlling the puppet, having a character voice and performing loudly enough for all to hear!

Finally, thank you to those who have donated items for SmartMove as part of our harvest celebration. We are always appreciative of your generosity and support.

Many thanks,
Miss Tingle and Mrs Hirst
