### Year 5 and 6 Disco – Thursday 16 January 3.15 – 5.00pm

The cost of the disco is £3.00 which will include drinks & snacks. Payments should be made using the school online payment system. Tickets will not be issued for the event. Children may bring clothes to change into for the disco.

**We are still in need of helpers who are able to offer assistance with supervision and/or refreshments (this is open to all parents/relatives of pupils at the school).** If there are insufficient helpers this event **will not** be able to take place. Please contact the school office if you are able to help. Thank you.

### Reminder

An email has been sent with regards to milk, swim and fruit payments. Please ensure that payments are made by **9.00am, Monday 13 January**. Thank you.

### Admission to Primary School – September 2020

If your child was born between 1 September 2015 and 31 August 2016, they will be due to start Primary School in September 2020.

**Applications with your local authority must be submitted by 15 January 2020.**

### School Questionnaire for Parents and Carers

Thank you to everyone who has already returned their questionnaire. If anyone else would like to complete one, please can these be returned to school by tomorrow, Friday 10 January.

### Eduspot – School Money

A few months ago, it was made possible for parents to change their log in password. It is important that this is updated to something only you know in order to help keep the account secure. If using a mobile phone, please ensure that your phone isn't automatically trying to log you in under the old password. If you are still having issues logging in, please contact the school office who can send a new link through.

### School Uniform

**The final date for orders this half term is 9.00am, Friday 7 February.**

Orders should be placed via the school online payment system.

Orders processed will then be forwarded to your child when the delivery arrives after the half term.

### Winter Weather

Should there be a significant snowfall, **it is highly unlikely that the school will be closed.** We shall endeavour to contact you by text to inform you of the situation and post information on the school website. Alternatively, you can check the Local Authority website [www.calderdale.gov.uk](http://www.calderdale.gov.uk) for further details or listen to BBC Radio Leeds on 92.4FM / 774MW . In the event of snowfall during the school day, pupils **will not** be sent home. However, children may be picked up early should parents deem this necessary. **Please do not call school if you are collecting children early.**
