Corona Virus

Pupils have been spoken to in response to the amount of discussion which is currently taking place in the media with regard to the Corona virus. Pupils had lots of ideas as to how they could be as hygienic as possible and were told that it is more important than ever to wash their hands regularly, particularly after visiting the loo and before and after eating. Twenty seconds is the suggested amount of time so we sang Happy Birthday twice to demonstrate how long this actually is! Pupils are also being encouraged to sneeze and cough into a clean tissue (and then disposing) and if a tissue is not to hand to do this into their sleeve to minimise spreading germs and bacteria. We would be grateful if you could reinforce this message with pupils at home. Thank you.

World Book Day

To celebrate World Book Day we have created a Bedtime Story section of the school website so that you can watch and listen as different teachers read different books. Our first story is Beegu by Alexis Deacon which is read by Mrs Edgar. More stories will follow so keep checking our website for more of your favourites read by different staff in school.

Poster Competition

Create a Science Poster about.....'Our Diverse Planet'

- Entries must be 2D and submitted on one side of A4 or A3
- Works must be original and created by you (no templates please)
- Posters must include your first name, class, age & school name on the back.

Please can all entries be passed to your class teacher by Friday 20 March 2020

Eduspot

Please note that if you have downloaded the Eduspot app, text messages will be sent via their app and not by phone text. Please ensure that you go to the settings and allow notifications. This is to make sure you are then advised that a message has been sent.

School Uniform

Uniform orders this term should be placed online by 9.00am Friday 27 March. The orders will then be ready shortly after the Easter Break. Thank you.

ORDER

Road Safety

Parents and carers should be aware that it is a traffic offence to stop and drop off children on the yellow zig-zag lines or to park on the pavement. Therefore, I ask that **ALL** parents follow this guidance in order to safeguard all of our children. **Could I also remind parents to respect our decision for the school car park to be used by staff only at all times.**
