

Woodhouse - Home Learning Week 9: 08.06.20

Monday 8th June is World Oceans Day so many of our activities will celebrate the ocean this week!

On Monday 8th June there will be a day of interactive activities to celebrate World Ocean Day at: <https://worldoceanday.school/>

<p>Computing</p> <p>Have a go at the 'fun with fish' coding activity on Purple Mash!</p>  <p>Fun with fish</p>	<p>Science</p> <p><u>KS1</u> Download the 'Water water everywhere!' activity from the school website. If you can't print it, draw the droplets yourself - you can still have a go! 😊</p>  <p><u>KS2</u> Have a go at this AMAZING live lesson on the BBC! https://www.bbc.co.uk/teach/live-lessons/blue-planet-live-lesson/zn7tkmn There are free activity sheets to complete as you watch the lesson too. This is not to be missed!</p> <p><u>All ages</u> Find out how to become a water hero by downloading the poster on the school website. Let us know what you are going to do to be a water hero on the Woodhouse Teacher blog! (Poster from: https://www.natgeokids.com/wp-content/uploads/2018/03/Water-Conservation-Primary-Resource.pdf)</p>	<p>History</p> <p><u>KS1</u> Find out about Christopher Columbus! He sailed all around the world. - https://www.bbc.co.uk/programmes/p029z97h You could: - Draw a picture and write sentences about him. - Complete the ordering activity on the website link above.</p> <p><u>KS2</u> Find out more about the Titanic using these websites: - https://www.bbc.co.uk/programmes/p029z97h - https://www.bbc.co.uk/bitesize/topics/z8mpfg8/articles/zkq9dxs - https://www.bbc.co.uk/bitesize/topics/z8mpfg8/articles/zng8jty You could: - Create a fact file about the titanic - Write a diary entry from somebody on board the ship</p>  
<p>Art</p>  <p>Create a collage to show the amazing creatures that can be found under the sea. Remember to take a picture to post on Purple Mash!</p>	<p>Music</p> <p>Can you learn the words to 'Under the Sea' from The Little Mermaid? Maybe you could get your family involved and pick different parts to sing!</p>  <p>https://www.youtube.com/watch?v=kPQXzUSgCd4 Can you make up a song of your own about the ocean? You could use some homemade instruments too!</p>	<p>PE</p> <p><u>EYFS → Y4</u> Have a go at this fantastic Cosmic Kids 'under the sea' yoga! https://www.youtube.com/watch?v=qC83oFEeVZA <u>All ages:</u> Create a HIIT workout where the moves are inspired by the ocean! E.g. Complete 3 rounds of: 10 x dolphin jumps 10 x beluga whale burpees 10 x squid squats 10 x seahorse hops</p> 

PSHCE

Caring for our world

KS1

Download the 'Recycling sorting activity' from the school website and have a go! If you don't have a printer, you could draw your own version!

KS2

Read the 'Plastic Pollution' PowerPoint on the school website. Choose a country to research and complete the 'Plastic Pollution Booklet.'

DT

60 ways to use plastic bottles!

Have a look at this website and choose a creative way to reuse a plastic bottle. Show us your creative creations on the Woodhouse teacher blog!

<https://www.foshbottle.com/blog/60-ways-to-reuse-plastic-bottles>

Geography

Download the activity sheets about the world oceans on the website.

- KS1 - Name and locate the oceans.
- KS2 - Name and locate the oceans and continents.
- All ages - Oceans and continents cut and stick activity.

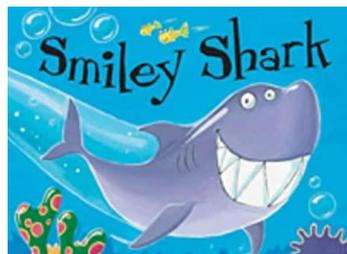

Reading

Keep reading your books at home and writing your book reviews. Can you recommend a book on your year group blog?

KS1

Watch Mrs Edgar's story video on the school website. You could draw a picture of Smiley Shark!

KS2

Download the comic called 'Into the Deep' from the school website.

Taken from: <https://www.natgeokids.com/uk/primary-resource/deep-ocean-ecosystem-geography-primary-resource/>

Writing

Keep updating your diaries.

Download the acrostic poem template and write a poem to celebrate World Ocean Day!

Maths

KS1

- Recycling - count how many items you put into your recycling bin this week. Try to recycle more the week after!
- Download the 'Crack the code' activity from the school website
- Download the 'Missing numbers' activity from the school website

KS2

- Recycling - Every time you put some recycling in the bin, weigh it first! Keep a record of how much your recycling weighs. Can you recycle more the week after?
- Have a go at the lighthouse challenge on: <https://nrnich.maths.org/5929> (Grown ups - you can find the answers here 😊 <https://nrnich.maths.org/5929/solution>)

Planned Play

We have added this section for children in Reception and Y1 who may need to do more of their learning through play-based activities. However, children of any age may enjoy them too!
