		Activities for week commencing: 28 September 20
Mon 28 Sep	pm	Year 6 – Utopia Gymnastics

Utopia Gymnastics

This half term, Year 6 have the privilege of attending Utopia in Brighouse for their gymnastics unit and are being taught by two professional coaches. During the first two weeks, the children have thoroughly enjoyed using the 'bounce' track and trampettes to perfect different types of jumps as well as learning a variety of travel techniques and rolls in the hope of using these skills to create their own floor routine.

Thank you

The new arrangements for the start and finishing times have worked well this week and the minor teething problems in relation to siblings have been ironed out. This is, once again, a result of parents and carers following our procedures. Please ensure that your child arrives punctually for their allocated start time and knows what their arrangements are for collection at the end of the day. We also ask that when collecting pupils from within the school grounds **adults, who are able to, wear a face covering due the 1m+ designated spaces.**

Appointments

If your child has an appointment within school hours, please can you telephone or email the office on: admin@woodhouse.calderdale.sch.uk
Thank you for your co-operation.
