

Dear Parents/Carers,

In Literacy this week, we have been using fronted adverbials (sentence openers for time, place and manner) to improve our writing about Mildred Hubble's broomstick adventure. Next week, we will begin a new unit linked to performance poetry.

In Maths, we have been comparing numbers using the language **greater than, less than, equal to** and the related symbols $<$, $>$ and $=$. Next week, we will be ordering numbers with up to 3 digits.

In DT, we created the final pattern piece and used this to cut the fabric for our puppets. We will be practising simple running stitch next week and then starting to sew on the decoration and detailed pieces.

Finally, thank you to those who have already donated items for SmartMove as part of our harvest celebration. If you are able to support this collection we are still accepting donations. We are always appreciative of your generosity and support.

Many thanks,
Miss Stephenson and Mrs Ollerenshaw
