

COVID-19 Risk Assessment

Version 4.4

Woodhouse Primary School

Date of Risk Assessment: October 9th 2020

This risk assessment has been completed in line with Government guidance for the challenges of reopening the school to a significantly larger number of children and staff. It supersedes the previous document and will continue to be reviewed regularly as and when circumstances change. All staff will be trained/issued with the risk assessments relevant to their work and this will be recorded. Each revised risk assessment is version controlled and saved as a new dated document so that it can be retrieved at any time if required in future for an investigation.

The risk assessment demonstrates how the school is reducing and mitigating risk so far as is reasonably practicable following the most up to date Government advice. However, If the guidance cannot be achieved after plans have been put in place then the school will consider whether specific activities or parts of the school should be open.

COVID is a biological agent and comes under the COSHH Regulations and Health and Safety at Work Act.

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary and by whom?	Action by When?	Done
<p>General controls to prevent risk of infection.</p>	<p>Staff, visitors, Pupils</p>	<p>General Controls and instruction to staff throughout the school:-</p> <ul style="list-style-type: none"> - Children allocated their regular classrooms and remain in designated bubbles/groups as much as possible to prevent mixing - Where possible adults in school to maintain 2 meters distance from pupils and minimise time spent within 1m of anyone as a priority - (Staff to maintain 2 metre distance from all other adults as utmost priority - Staff to avoid face to face contact within one meter of all other adults in the setting - Staff to avoid contact within one meter or longer without face to face contact in the setting) - Increase cleaning regime - All workspaces will be provided with a box containing some PPE equipment (in case a person becomes symptomatic) and a first aid kit. These boxes will be regularly checked by staff and replenished when needed. - Hand washing facilities in place and pupils directed to use these. - 'Catch it, bin it, kill it' promoted for all pupils - Staff or pupils who may become symptomatic to be reminded to stay home and self-isolate for 14 days. - Doors can be propped open to allow ventilation. - Windows to be opened each morning to allow adequate ventilation. 	<p>SBM/ Site staff/Cleaning staff/Admin</p> <ul style="list-style-type: none"> - Establish a record of cleaning - Make up cleaning bundles for each 'bubble' ICT suite, Study Centre and staff room with some PPE equipment - Advertise/recruit additional cleaning hours - Wedges to be used with doors that need to be kept open - Ensure First Aid kit in situ in each room - Regular cleaning throughout the day including toilets and annotate toilet cleaning record - Ensure hand sanitisers in each room and at main entrance and regularly replenished - Ensure PPE equipment and hand sanitiser in stock - Ensure staff dishwasher runs regularly on 60 degree programme <p>Classroom staff</p> <ul style="list-style-type: none"> - Reminders of regular hand washing and catch it, bin it, kill it'. - Regular cleaning throughout the day including sinks and tabletops - Establish regular hand washing regime throughout the day - Promote catch it, bin it, kill it approach - Staff to maintain social distancing in 	<p>7 Sept</p>
