Welcome Back

It has been a pleasure to return to school after the half term holiday and welcome all of our children back and we hope that you all had a relaxing break. As infection rates of Covid increase nationally, this is also impacting on all sectors of our school community. In the event of pupils having to isolate due to a family member testing positive, work will be sent via 2 email for your child to complete. When members of staff are isolating we endeavour to cover classes with existing teaching staff who already work within the affected bubble to enable our pupils to continue to learn in the school environment. However, should there be insufficient members of staff to operate a bubble safely, it may be the case that pupils have to be educated remotely. Obviously this is a situation that we all wish to avoid and I ask that we all continue to work together to minimise the risk of transmission and to follow government guidelines. Thank you
