The following principles apply to all forms of physical activity:

1. To promote healthy lifestyles;
2. To develop positive attitudes;
3. To ensure safe practice.

Information for Parents/Carers

Parents are circulated with newsletters on a weekly basis and with a diary of events at the beginning of each half term. Information is sent via e mail but paper copies are available if preferred.

Information relating to the curriculum for each year group is posted on the school website. The school prospectus, along with other documentation, is available on the website.

Pupil absence

In line with the school's first day calling procedure, parents/carers are expected to inform school by email or phone as soon as possible if their child is absent from school giving the reason for the absence.

Parents/carers wishing to apply for authorised absence during term time for their child must complete a request form available through the school office. Leave of absence will only be granted in exceptional circumstances.

Appointments with staff

If you wish to speak to a member of staff, please arrange your appointment through the main office. Appointments will be made at a mutually convenient time. Where possible please give some idea of the nature of your concerns.

Visits to Doctor and Dentist during School Time

Please inform us in writing should it be unavoidable to take your child to the doctor, dentist or hospital in school time. Children will not be released unaccompanied unless a written or telephoned message has been received.

Medicines

If your child has particular medical requirements please contact the school office in order to make the appropriate arrangements.

Water

Children have access to water throughout the school day. We are no longer supplying school water bottles via the office as the school council will be reviewing the type of bottle we use with a view to being kinder to the environment. In the meantime, pupils will be able to use their own bottle but we ask that parents/carers consider the size in particular as pupils' desk space is limited. Each classroom has a supply of fresh drinking water for pupils who do not have their own bottle.

Communication between Home and School

In the early stages of your child's education, it is important that we communicate with each other almost on a daily basis. Hence if your child is in the reception classes he/she will bring home a Home School book in their book bag. Please feel free to correspond with your child's class teacher through this book. In the same way, the school staff will send messages to you.

From YR to Y6, your child will bring home their reading book with a reading diary and packet. If you wish to make comments, simply write it in the reading diary. The adult changing the reading books (YR and KS1) will draw your comments to the attention of your child's class teacher if deemed necessary.

If you need to give a message to your child's class teacher on a matter other than reading, then parents/carers of KS2 pupils should send a note into school with their child or e mail the school office. Members of staff are available by the school gates before school, should parents/carers have a message to pass on to the class teacher.

At the end of the school day and for the safety and welfare of all our children, please do not prevent the teachers from carrying out their duties.

Lunchtime/Playtime

Pupils in Reception and KS1 are provided with a free school lunch although parents/carers may opt to send a packed lunch for their child should they wish. In KS2 parents/carers can choose for their child to bring a packed lunch or purchase a school dinner. Some pupils may be entitled to free school meals. The school administrator will answer any queries which you may have. During the lunch break children may not leave the premises unless there is an agreement for the child to go home for lunch. Fruit or vegetables may be eaten during either of the morning playtimes and are supplied free to KS1 pupils as part of the Healthy School programme. Pupils in KS2 can opt to have fruit for a small charge. On Fridays, there will be a charity tuck shop with biscuits supplied at a price of 20p. Consuming food and drink on the school premises before school and at other times is not permitted. If your child has special dietary requirements, please discuss these with the school office.

Equipment

School provides a wide range of equipment for children to use, but we feel it is good policy and training to encourage children from Y2 to Y6 to bring their own pencils, crayons, rubbers, pencil sharpeners. From Y4 to Y6 a blue ink fountain pen or roller ball can be used once a pupil has gained their pen licence. Biro's are not to be used. Exercise books are provided, but if defaced by the child, we would expect the child to pay for a replacement.

Assessment

Children are assessed on a regular basis throughout the year against National Curriculum standards. The majority of assessments are recorded electronically. Should parents/carers wish to see a record, we ask that 24 hours' notice is given. Parent / Teacher Consultation meetings are organised in the Autumn and Spring term.

Reporting to Parents/carers

Parents/carers receive a detailed written report on their child's attainment and progress annually.

Assemblies

We hold a daily act of collective worship which is Christian based. Parents/carers do have the right to withdraw their child from collective worship and /or RE. Parents/carers wishing to do so should inform the Headteacher in writing.

Sweets and Party Bags

It is the school's policy not to distribute sweets and party bags brought in by children or parents/carers.

Nut Allergy

Woodhouse Primary School is a nut free zone as nut products affect some of our children adversely. We ask all parents/carers to ensure no products containing nuts are brought into school.

Jewellery and Watches

Children are not allowed to wear jewellery but may wear simple watches. Pierced earrings should be limited to studs (one in each ear). Pupils wearing watches and studs are responsible for them. Pupils are expected to remove their own studs for PE and swimming and replace them afterwards.

Fund raising

The two main events are the Christmas fayre and Summer Fun evening. All parents/carers are invited to help organise the events and funds raised support the school's developments such as the KS1 play area and new kits for our sports' teams.

School Rules

We have linked our own **School Values** to the rules that have been decided by pupils and staff.

Be Safe:

- I should tell a member of staff if I see a visitor who isn't wearing a name badge.
- I will never open an outside door once they have been closed.
- I will always walk around school sensibly and quietly.
- I will play appropriately in the play areas.
- I will always line up sensibly when it is time.

KS2

- I will only place appropriate items in my locker/bag and will only go into someone else's locker when I have permission.

Be Caring:

- I will always show care for other people and school's property and never touch other people's property without permission.
- I will keep the school and playground tidy by putting my rubbish in the bin.
- I will treat all other people (adults, children and visitors) with the respect I expect from them:
 - by using my good manners
 - by always being truthful and owning up
 - by being a good friend and letting others join in with my games
 - by setting a good example to younger children
 - by listening to adults and doing as I am asked
 - by putting my hand up and not calling out

Be Healthy / Be Safe

Football / Ball Games

- I will respect others when playing with a ball.
- If I accidentally hurt someone else whilst playing, I will check they are OK and help to pick them up.
- I will only play football when it's my year group's turn.
- I will not play with a ball before / after school.

KS1 Pirate Ship

- I will only go **down** the slide.
- I will climb on and off the pirate ship carefully.
- I will only play on the pirate ship if an adult says we can.

- I will only use the Adventure Trail when it is my class's turn.
- I will make sure I go down the slide and across the monkey bars when they are clear.
- I will not walk up the slide.
- I will behave appropriately and safely when playing.

Running Track / Field

- During first break I will remember the running track is in use but the field is not.
- I will help to keep the running track safe
 - by running in the right direction
 - by running on the left / walking on the right
 - by not eating whilst running
- When the running track and field are both in use, I will keep obstructions **off** the track.

When in school, I know:
