

Year 3 Newsletter 14

Friday 18th December

Dear Parents/Carers,

In English this week, we reflected on the elves' antics over the past week. We then planned and wrote a letter back to the elves thanking them for their entertaining tricks. We have also been revising statutory spelling words and consolidating our understanding and use of contractions (I have = I've). In the New Year, we will be beginning a unit of work based around 'The Black Hat'.

In Maths, we have been completing times tables activities and consolidating column addition and subtraction where no exchanging needs to be done. After Christmas, we will continue with column methods with an increasing focus on problems requiring exchanging.

Year 3 children and staff enjoyed some festive fun at our Christmas party on Tuesday, with many showcasing their funky dance moves! As a school, all children had the opportunity to reflect on Christmas stories and messages as we took part in our virtual carol service on Thursday morning.

We would like to express our thanks for your support this term and would also like to say how proud we are of the children for their adaptability and positive attitude since returning to school in September. We look forward to seeing everyone again in January.

Many thanks and best wishes for a peaceful break,

Miss Stephenson, Mrs Ollerenshaw,
Mrs Hirst, Miss Lassey and Mrs Harrison-Maude.
