IMPORTANT COVID UPDATE – PLEASE READ

Dear Parents and Carers

As we approach the Easter holiday, schools have been asked to make parents and carers aware of the following information relating to controlling the spread of Covid during the holiday period:

- Where a pupil tests positive for coronavirus (Covid-19), having developed symptoms **MORE than** two days after being in school on Thursday 1st April, the school should NOT be contacted. Parents/carers should follow contact tracing instructions provided by the NHS Test and Trace.
- If a pupil tests positive for coronavirus (Covid-19), having developed symptoms **WITHIN two days of being in school on** 1st April, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.

Therefore, if your child DOES develop symptoms within two days of finishing school (i.e. on Friday/Saturday 2nd and 3rd April), and subsequently tests positive for Covid, we ask that you notify school by email to admin@woodhouse.calderdale.sch.uk.

E mails will be monitored until Thursday 8th April, for this purpose only, in order to fulfil the school's responsibility with regard to contact tracing. Please do NOT ring school, as the phones will not be monitored.

Thank you for your support in this matter.

Yours sincerely

Lynn Daveney
Headteacher
