

Friday 9<sup>th</sup> July 2021

Dear Parent / Carer,

Firstly, we would like to say a huge thank you to everyone who donated or brought in some buns and biscuits for our NHS Big Tea. We enjoyed eating a treat with our friends and reflecting on the things the NHS does to help us all.

**THANK  
YOU!**

On Tuesday afternoon, all the children took part in a series of Sports Events.

They all took part in a shot put (bean bag push), javelin throw, egg and spoon race, standing jump and a sprint race. To finish we had a 1V vs 1H relay race between the girls and the boys from each class and 1H came out in first place each time. We were really proud of how well the children did and how they cheered each other on.

In Maths, we have used coins to make amounts. Next week, we will be combining our mathematical learning with DT. Using scales, we will be weighing out ingredients to make a pasta salad. We will be using pasta, carrot, cucumber, sweetcorn and pepper to make a tasty dish.

In Art, we have designed a house in the style of the artist Hundertwasser. Using paint and a cardboard box, we are going to bring our designs to life. The children are very excited to create a 3D model of their design.

Next week, is **Think GR8 Feel GR8 week** and we have an energetic week planned! All pupils will be taking part in a range of activities to keep the body and mind healthy. Pupils are invited to wear relaxed comfortable clothing (eg PE kits) each day along with pumps/trainers.

On Friday 16<sup>th</sup> July, please send your child to school with a carrier bag. They will be able to take home their school work books but there are a lot so they will need a bag to put them in as well as their usual school bag.

Many Thanks

Miss Vine and Miss Hepworth
