## Activities for week commencing – 19 July 2021

Tue 20 Jul	6S	ROKT
Wed 21 Jul	6W	ROKT
Thu 22 Jul	6S & 6W	Wellholme Park

### Update

As we approach the final week of term, you will be aware that COVID-19 restrictions are soon to be lifted. The previous 16 months have been a difficult time for all, particularly in the last few weeks when there has been a huge increase in the number of cases and with this in mind, Public Health have advised schools to keep current arrangements in place for the final week of term. In the event of a positive case next week, please inform school as usual and we will contact Public Health for further advice. As previously communicated, pupils will transition to their new class on Monday 19<sup>th</sup> July but will continue to arrive and depart at the same time and entrance as they do currently. Children will bring their current books home on Friday 16<sup>th</sup> July – please send your child to school with a bag on that day. Thank you.

### Ice Cream Van

On Tuesday, as a special treat for pupils and staff, we had a visit from an ice cream van. Luckily the weather stayed fine and everyone enjoyed themselves.

### Think GR8, Feel GR8

Throughout this week, pupils across all year groups have enjoyed Think GR8 Feel GR8 week. Children have taken part in fun exercises and activities, taken part in our special before and after school clubs and learnt about the importance of a healthy diet and about how to look after ourselves physically and mentally.

## Library

Sophia from Year 1 has helped put together a small free library for the local community. It is located on Huddersfield Road, just turn right at the bottom of Daisy Road. It has plenty of children's books including some from the 50 must read list.

### \*\*\*\*\*Classroom News\*\*\*\*\*

**Year 3** - This week, we linked our Think GR8 Feel GR8 learning to multiplication and division written methods with lots of energetic, active Maths challenges! In English, we have been revising all the Year 3 statutory spelling words as we get ready to move to Year 4. We designed and made healthy pizzas in DT and enjoyed evaluating (eating!) these on Thursday. We're very excited to move to Year 4 next week!

**Year 4** - We have been creating a delicious apple and blackberry crumble as part of 'Think GR8, Feel GR8' week. We peeled and chopped the apples and created our very own crumble oat topping and tasted this in the afternoon. We have also been creating artwork for our history timeline based on the events of 1066 and the Roman time era. In Science, we investigated whether having longer legs meant that you could run quicker. We chose people with different heights and timed how long it took them to run 100m. In RESPECT, we have been looking at healthy and unhealthy choices and what it means to lead a healthy lifestyle. We created a poster advising people how to be healthy through their diet, hygiene and exercise.

**Year 5** - We have been researching members of Team GB in preparation for the Olympics in Tokyo. Once athletes were chosen and facts were found, the pupils created Top Trumps cards to show their abilities and previous accomplishments. As a year group, we decided to investigate if people with the largest feet could jump the furthest and the pupils acted as participants and then collected and analysed the data. From finding out more about Olympians, we decided to create our own healthy snack and the pupils made and enjoyed a frozen yoghurt in our DT work.

**Year 6** - This week, our RESPECT learning has been focused on transition to secondary school and we have looked at how friendships may change as well as where we could go to find out reliable information about our new school. In Science, as well as looking at the effects of smoking, drugs and alcohol on the human body, we have created a leaflet which explains the main dangers. We have also enjoyed a lovely Think GR8, Feel GR8 week with a mixture of gymnastics, swimming, playing on the trim trail and orienteering. Tomorrow, we will be baking our own cupcakes and decorating them.

Yours sincerely

Mrs Lynn Daveney - Headteacher

**CLANCY BRIGGS**  
CYCLING ACADEMY

COMING SOON TO  
**BROOKSBANK  
CYCLE TRACK**

**TASTER DAY: SUN 5 SEP 2021, 10am – 12.30pm. BOOK TODAY!**

The sessions at the Brooksbank Cycle Track will be headed up by Ed Clancy OBE himself, as soon as he returns from this year's Olympic Games in Tokyo.

We have classes available for children aged from just 18 months learning how to balance, right through to teenagers looking to develop their race skills.

With limited spaces and sessions available only on **Wednesday evenings** and **Saturdays**, early booking is recommended to avoid disappointment.

**BOOK YOUR CHILD'S SPACE TODAY!**
