

Friday 16th July 2021

Dear Parent / Carer,

What a busy week it has been! We started our **Think GR8 Feel GR8 week** by cooking. Using balance scales, the children weighed out some ingredients to make a tasty pasta salad. The rest of the week has been a mixture of activities focused on healthy lifestyles: what food to eat; what to drink; how much sleep we need and how much exercise we should try to do. In addition to this, we have been keeping our minds healthy by learning to relax, calm ourselves down and focus on the moment we are in. The children have enjoyed mindful colouring, mindful thinking and also peer massage sessions to help them to relax.

In Art, we have used our plans and painted our very own Hundertwasser houses on cardboard boxes. The children enjoyed mixing colours to create the exact shade that they required to bring their designs to life.

Reading books have been collected in this week and new ones will be handed out during the first few weeks of the new term in September. We have also collected in the children's reading packets and reading diaries to pass on to Year 2.

On Monday, all the children in Year 1 will transition into their new Year 2 class. The start and finish times will remain the same as they have been all year. Children will line up in the playground as usual and their new teacher will come out and collect them.

We would like to take this opportunity to thank the children for all their hard work this year and to also thank parents, carers and friends for all your continued support. We wish you an enjoyable summer and look forward to seeing you all when school re-opens for pupils on **Tuesday 7th September**.

Many Thanks

Miss Vine and Miss Hepworth
