

Dear Parent / Carer,

As part of “Think Gr8 Feel Gr8” week, we have completed lots of exciting activities including finishing our sports afternoon, completing lots of physical activities such as Zumba, traditional races and many more and Cooking Overnight Oats on Thursday as a healthy breakfast alternative. Here is the recipe for overnight oats in case you wanted to have a go at making them at home as a healthy breakfast!

1 tbsp raisins
2 tbsp apple juice
30 g rolled oats (5 tbsp)
50 ml milk
1 tbsp yoghurt
1/4 apple
handful of berries
1 tsp honey

1. Soak the sultanas and raisins in the apple juice for a few hours or overnight.
2. Put the oats in a bowl with 50ml of milk and leave to soak in the fridge for a minimum of 1 hour or overnight.
3. Remove from the fridge and stir in the yoghurt.
4. Grate or slice the apple and add it to the bowl, along with the sultanas and raisins.
5. Stir the museli together and add more milk if required to make it soft but not runny.
6. Drizzle honey over the top to serve.

Following on from our poetry session with the Bearder Poetry Festival last week, we have worked together in small teams this week to write our own healthy living rhyming poetry. The children performed their poems to the class with actions and were absolutely fantastic poets and performers!

In our Art lessons, we learnt about the famous artist Lowry and how he often painted scenes of the countryside, seaside or cityscapes. Instead of putting lots of detail on the faces of the people who he drew in these settings, he painted them as silhouettes. We made our own piece of art in the style of Lowry by using watercolour paints to create a background wash and then adding detail such as people and buildings in the foreground using dark pastels. We discovered that there are lots of “mini Lowrys” in our midst!

Thank You!

We would like to take this opportunity to thank the children for all their hard work this year and to also thank parents and carers for all your continued support in what has been a turbulent and ever-changing year of teaching and learning. We are so proud of how well the children have faced the challenges of this year and wish them all the best as they move into Year 3.

Many thanks for your continued support,

Mrs Haigh, Miss Heneghan and the Year 2 Team
