

In English this week, we finished and edited our quest stories. We completed reading assessments and started our new diary unit. Perhaps you wrote a diary as a child and could share this experience with your child? You may have old family diaries which you could discuss.

In Maths, we have been completing assessments. Next week we will move on to learning the formal written method for subtraction.

We discussed and sorted the human and physical features found on the continent of North America and then focused on the famous Rocky Mountain Range. Next week, we will be completing activities based around compasses.

We had a fantastic time on our school trip to York on Monday. All the children represented the school fabulously and had an exciting, interactive day which rounded off our 'Vikings' history unit superbly.

On Monday 6th December, the children will be taking part in the 'Reindeer Run' in aid of Overgate Hospice. Please see the whole school newsletter for further details.

Miss Stephenson and Mrs Ollerenshaw 😊
