

Year 3 Newsletter 12

Friday 3rd December

Dear Parents/Carers,

In English this week, we wrote a diary entry about our recent exciting year group trip to York. The children recounted their day chronologically using fronted adverbials for time and included details about their thoughts and feelings during the trip. Next week, some diminutive visitors will be coming to our section of the KS2 corridor to help us prepare for a different piece of writing...watch this space!

In Maths, we continued to work on using formal column methods, this week focusing on subtraction. Where no exchanging of ones and/or tens is required, many children are confident with the method but do find this trickier when an exchange needs to be made. We will be consolidating both the addition and subtraction column methods next week.

All the children and staff are looking forward to taking part in the Overgate Reindeer Run on Monday. Thank you to those who have donated so generously to such a worthy cause. If you wish to make a donation, you can do so by visiting the link on the whole school newsletter.

Christmas card post boxes will be available in classrooms from next week.

Non-uniform on these days:

Year 3 Party - Tuesday 14th December
