

Reception Newsletter

Friday 17th December 2021

Dear Parents/Carers,

What a fun week it has been: parties, Christmas jumper day and remembering the true meaning of Christmas in our virtual Carol Service. This week you should have received feedback on next steps in your child's maths learning. Please keep practising these next steps in order for your child to become secure with this learning.

Thank you to everyone who has accepted the email invitation to log into your child's Learning Journey via Seesaw and we hope you are enjoying seeing your child's progress, new learning and next steps at school so far. The Learning Journey observations are only a part of your child's overall learning in school and work alongside their communication, language and literacy books, maths books, creative files and their Learning Journey wallet. We will continue to send out further Learning Journey observations when we return to school in January so keep an eye on any updates that you receive. You are welcome to respond on your child's online profile with any achievements, work, family celebrations, holidays etc. as these can be celebrated with the class.

In preparation for our new topic, the 'Talking Topic' over the holidays is: **New Year's Resolutions**

My New Year's Wish is...

If you do have any spare time over the Christmas holiday, it would be beneficial to revise the sounds and high frequency words we have taught during the autumn term and practise the letter formation in their handwriting books.

We hope that you all have a Merry Christmas and a Happy New Year.

Many thanks

The Reception Team.
