

Friday 20<sup>th</sup> May 2022

Dear Parent / Carer,

In English, we have been reading the traditional tale – ‘The Magic Porridge Pot’. After reading the story, the children sequenced and have begun to retell this familiar tale. We are very impressed with the story language used and will continue the retelling next week.

This week in Phonics, our sounds have been ‘ir’ as in bird, ‘oy’ as in boy, ‘ea’ as in feather and ‘ou’ as in cloud. Our tricky words for the week have been: many, any, who, whole and two. These are the words the children need to be able to sight read.

In Maths, we have been exploring weight and mass using balance scales. Using classroom items, the children were able to use 10g and 1g weights to identify how many grams an item weighed. We will continue with this concept next week using different types of weighing scales.

In CCL, we have continued to study the artwork of Fredrik Hundertwasser. Using the cereal boxes the children brought in to school, we have brought their designs to life.

Each year group have been challenged to create, budget and sell a product in school to raise money to buy something of their choice for the classroom.

**As part of our Enterprise project, we will be making and selling chocolate nests (vegetarian) to Year R and Year 2 on Wednesday 25<sup>th</sup> May. Please send £1.00 with your child if they would like to buy one.**

Finally, thank you to everyone who attended our open door this week. It was lovely to see you all. Our next open door will be on Monday 27<sup>th</sup> June 2:20pm until 3:00pm. Due to the nature of the activity, we will only be able to invite one adult per child to this session.

Many Thanks

Miss Vine and Miss Hepworth
