

Dear Parents/Carers,

In Literacy this week, we have learnt the sounds sh, th, ng and nk. We have also been recapping the sounds that we have learnt so far. We have learnt the tricky words 'she,' 'he,' and 'of' and revised all the tricky words taught so far. Your child now has an orange high frequency word box for them to practise recognising these words at home. We have also been practising segmenting the sounds in words to spell and write by using our segmenting fingers to hear the first, middle and final sounds in each word.

In Numeracy, we have been noticing circles and triangles in our environment and have been beginning to use language to describe their properties. We have introduced the children to the mathematical vocabulary to describe each shape using the words '**sides**,' '**straight**,' '**corners**' and '**round**'. We learnt that triangles are flat shapes with three straight sides and three corners, and that circles are flat shapes which are perfectly round. Next week we will be working on finding the numbers 4 and 5 and making 4 and 5 using different representations.

In our topic sessions this week we have been learning all about Christmas, what this celebration means and why we celebrate Christmas. We have enjoyed creating our very own Christmas trees and Christmas jumpers using the 'Topmarks' website. You could have a go at this at home. You will find the activities on the Topmarks site at www.topmarks.co.uk.

Thank you for coming to watch our Reception Christmas Spectacular on Wednesday and we hope you enjoyed the show. The children have worked very hard to remember all of the words in the songs along with speaking parts and we are so proud of them. Well done everybody! A recording of the Reception Christmas Spectacular is on Seesaw for you to enjoy and for anyone that was not able to join us.

Our class reader this week is: **The night before Christmas**

Please click on the link below to share this week's song with your child.

[Little Snowflake](#)

We hope that you are enjoying Seesaw so far. Please keep logging in each week to keep yourself updated on your child's learning and any next steps for them to work on. If you have any questions about Seesaw please let us know via your child's home/school book.

Please can we remind all parents/carers to let us know via your child's home/school book or an email to the school office in the morning if there is a change of your child's after school arrangements. If someone new is collecting your child or they are attending an after school club on a day that they do not normally attend then we will need to be informed. Please supply us with a name, description and password of anybody new collecting your child. If this information is not passed onto the class teacher, we will be unable to let your child go until we have made the necessary checks. Thank you for your support with this matter.

On Tuesday 19th December, it is our school carol service at St. John's Church. Unfortunately, once the children and staff from school are assembled in the church there is no room for parents. We will walk to and from the church with our Year 6 Buddies. Each Reception child will hold the hand of a Year 6 child and will walk nearest to the wall as they walk along the pavements. It would help us if you could talk to your child about road safety and the importance of holding hands and walking sensibly to church. Please ensure that they wear a warm, waterproof coat with a hood and suitable footwear.

(wellies or boots if it is rainy or snowy). If you have any concerns that your child is unable to manage the walk, please let us know and we can arrange for you to bring them to school after the church visit.

Dates for Your Dairy

Monday 18th December- Reception Christmas Party (Children can come into school wearing their party clothes and any food contributions can be brought in on that day. Please remember that we are a nut free school)

Tuesday 19th December – Reception will go to St. John's Church

Thursday 21st December – Christmas jumper / non-uniform day and school closes for Christmas

Our 'Talking Topic' this week is:

Many thanks

The Reception Team

I can tell you all about
Christmas and how and
why some people
celebrate this special time.
