

Reception Newsletter

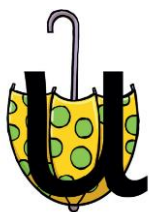

Thursday 21st December 2023

Dear Parents/Carers,

What a fun week it has been: parties, Christmas jumper day and remembering the true meaning of Christmas in our Carol Service at St John's church. You should have received feedback on next steps in your child's maths learning. Please keep practising these next steps in order for your child to become secure with their maths learning. This week in our maths sessions, we have introduced the children to one more and one less working with numbers up to 5. We practised counting forwards and we noticed that the numbers increased in size when one more was added. The children then began to understand that as we count back, each number is one less than the number before. The children then noticed that the numbers get smaller because they are taking one away. We asked the children different mathematical questions such as 'How many are there now?' 'What is one less/more than?' 'What is the number before/after?'

This week we have been practising forming the letters 'u' and 'y' and worked very hard to ensure that our letters sit on the line and formed correctly using the letter formation phrase to help them.

Down and around the umbrella, and back to the ground.

Down, around the yo-yo and curl round the string.

Thank you to everyone who is regularly logging into your child's Learning Journey via Seesaw and we hope you are enjoying seeing your child's progress, new learning and next steps at school so far. The Learning Journey observations are only a part of your child's overall learning in school and work alongside their communication, language and literacy books, maths books, creative files and their Enquiry learning books. We will continue to send out further Learning Journey observations when we return to school in January so keep an eye on any updates that you receive. You are welcome to respond on your child's online profile with any achievements, work, family celebrations, holidays etc. as these can be celebrated with the class.

In preparation for our new topic, the 'Talking Topic' over the holidays is: **New Year's Resolutions**

My New Year's Wish
is

It will be RV's Friday Bake on the first Friday back – 12th January 2024. If possible, please bring in some sweet treats for your child to sell. Please remember that we are a **nut free** school. Your child will not need 20p that day as they can have one of their own. It will be RM's Friday Bake on Friday 19th January. Thank you!

This week our class reader is: **The Snowman**

If you do have any spare time over the Christmas holiday, it would be beneficial to revise the sounds and tricky words we have taught during the autumn term and practise the letter formation in their handwriting books. Throughout the spring term, the children will continue to learn more diagraph and trigraph sounds as they move onto the phase 3 section of our Little Wandle reading scheme.

We hope that you all have a Merry Christmas and a Happy New Year.

Many thanks

Miss Mason, Miss Vine, Mrs Rothwell and the Reception team
