

Year 3 Newsletter 15

Thursday 21st December

Dear Parents/Carers,

Your child may have mentioned that we have had some cheeky elves in school over the last couple of weeks. They have been causing lots of mischief but have also provided lots of fun! In English this week, we used our speaking and listening skills to debate 'Should Mrs Crane send the elves back to the North Pole?'. We focused on listening to the points that our peers made and communicating back with a relevant response.

In Maths, we have been recapping concepts taught so far this year by completing a 'Christmas Mystery Maths' challenge. We also completed a range of times table activities. After Christmas, we will begin our new unit on the Year 3 formal written methods for division.

Year 3 and 4 children and staff enjoyed some festive fun at our Christmas party on Tuesday, with many showcasing their funky dance moves! Thank you for your snack contributions. As a school, all children had the opportunity to reflect on Christmas stories and messages as we attended church on Tuesday morning.

We would like to express our thanks for your support this term and would also like to say how proud we are of the children for their hard work and positive attitude since starting Year 3 in September. We look forward to seeing everyone again in January.

Many thanks and best wishes for a peaceful break,

Miss Stephenson, Miss Parker and Mrs Young
