

Dear Parent/Carers,

Our spellings for Monday's quiz are:

action	fiction	fraction	caption	section
after	sugar	who	clothes	

In English this week, we have started to create our own version of the story 'Ganesh Gets Married'. We have changed three of the key settings in the story and this has altered the main elements of the tale. We have also looked at how the mood has changed in the story during these key moments and ensured that the plot now fits the recent changes. Next week, we will be writing our new, modified versions and we can't wait to start.

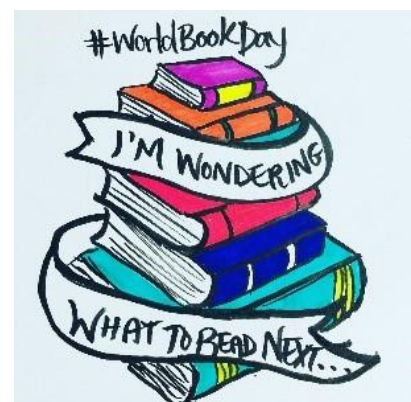

In Maths, we have learnt what a fraction is: **a part of a whole**. We have looked at fractions of shapes and patterns. The children now know that the top number in a fraction is called the **numerator** which tells us how many parts we have, and the bottom number is the **denominator** which tells us how many parts the whole is divided into. So far, we have looked at halves, quarters and thirds. Below are some examples:

	$\frac{1}{2}$	Not $\frac{1}{2}$
		
		
		
		

	$\frac{1}{4}$	Not $\frac{1}{4}$
		
		
		
		

We have enjoyed celebrating World Book Day this week by taking part in plenty of book related activities.

- On Monday, Lorna Wray came in to read to us. She introduced us to all of the books for the school book fair.
- It was great to see such creative fancy dress ideas on Wednesday. We had lots of fun looking at everybody's costumes.
- On Wednesday, we met up with our Year 4 buddies to celebrate World Book Day by sharing our favourite books.

Congratulations to Jessica (2C), Josiah (2C), Joel (2B) and Noorie (2B) who were elected as our new Year 2 school council representatives. Thank you to the previous school council members who have served so brilliantly during their time "in office".

Just another reminder about making sure that all clothes are clearly labelled. After swimming and PE, it is difficult for us to see who has misplaced their clothing when it hasn't been labelled so please could we ask that you double check your child's uniform. Thank you for supporting us with this.

Thank you for your continued support,
Mrs Collins, Mr Bale, Mrs Gooseman and the Year 2 Team
