

Starting Reception

Your child's journey to school starts at home.

Introduction

We understand that all children develop at their own pace, and that we're all learning from birth. When it's time to start school, some children will need more help than others.

There are key skills* that schools expect children to be learning before their first day. Practising these will make your child's journey to Reception as positive as possible.

If your child is already at nursery, in pre-school, or with a childminder, those professionals will work with you and your child to help get them ready.

There's lots you can do at home to build your child's confidence and independence, helping them feel emotionally and practically prepared to start school.

*We are calling this document the 'Starting Reception' definition. Some people/ organisations refer to this as 'school readiness'.

How can I help my child get ready?

Your child will have lots of new activities and routines to get used to when they start school. There are some things they'll need to do more independently than they might have before.

Research shows that a child's relationship with their parents is the most important factor in their development, and there's a lot you can do at home.

When your child is at home with you or another caregiver, you can practise as a family with fun activities (we've included links at the end of this resource).

Some of these skills take time to master, so it's good to introduce them gradually in your daily routine.

What if my child has additional needs?

- If your child needs additional support to settle into Reception, make sure you share as much information as possible with their new teacher. They can work with you to find strategies to support your child.
- Summer born children, or those speaking English as an additional language (EAL) may need more support.
- If you know or suspect your child has special educational needs (SEND), developmental differences or delays, some of these skills may not be achievable for them at this point.
- Early intervention makes a big difference – ask your child’s nursery, school, health visitor, local children’s centre or Family Hub for help.

Who can I speak to for help?

All children will need help from their trusted adults so they can feel confident and excited about starting Reception.

- Your childminder/nursery/pre-school team or your health visitor, children’s centre or family hub can help if you need more information.
- We’ve also put together a list of organisations and resources further down to help you and your child get ready together.

The definition: skills to practise before starting Reception:

New skills take time to learn. Practising at home will help your child move into school more easily and with confidence.

Growing independence

Taking care of themselves

- ✓ Putting on/taking off their coat and shoes
- ✓ Using the toilet and washing their hands
- ✓ Getting dressed with little help, e.g. after using the toilet or doing PE
- ✓ Using cutlery (e.g. fork and spoon, chopsticks) and drinking from an open cup
- ✓ Spending time away from you, learning they can be looked after by caring adults

Play, creativity and curiosity

- ✓ Taking part in imaginative play (e.g. role play)
- ✓ Drawing, painting, colouring and sticking
- ✓ Sharing story books, looking at pictures and talking about the characters
- ✓ Exploring the world around them (e.g. looking closely at the natural world, playing safely with objects at home)

At school your child will be meeting lots of new people and make new friendships. Some things to help them get ready include:

Building relationships and communicating

Being with others

- ✓ Practising sharing and taking turns with toys
- ✓ Talking to them about how they are feeling and why
- ✓ Looking at story books together and speaking about what characters are feeling is a good way to do this
- ✓ Beginning to recognise what others are feeling, e.g. understanding if a friend is sad
- ✓ Encouraging them to set boundaries for themselves and others (e.g. knowing how to say 'no')

Communication and language

- ✓ Singing along with songs and nursery rhymes
- ✓ Talking happily to others about activities, experiences and the world around them
- ✓ Showing they need help by speaking clearly (in basic English or sign language)
- ✓ Recognising the pattern of their name (so they can find it on their coat peg or jacket)

Listening and engaging

- ✓ Paying attention for short periods of time
- ✓ Listening to and following simple instructions
- ✓ Carrying on with a task even when it's difficult and bouncing back if things go wrong

Physical development

Getting moving for at least three hours a day

- ✓ Walking up and down steps (one foot at a time, using the wall for support)
- ✓ Climbing, running, jumping and playing
- ✓ Catching a large ball (most of the time)
- ✓ Doing simple puzzles and craft activities, strengthening their grip with cutting and sticking

Healthy routines

- ✓ Going to bed around the same time each night, waking up in time to get ready for school
- ✓ Limiting screen time to the recommended daily amounts (see advice)
- ✓ Eating a healthy diet and trying new foods
- ✓ Brushing their teeth with fluoride toothpaste twice a day (you'll need to supervise this until they are at least 7)

What should I do if I have concerns about my child's development?

- If you're worried about your child's progress, talk to your childminder/nursery/pre-school team, health visitor, local children's centre or Family Hub.
- If your child has developmental delays or SEND (suspected or confirmed), speak to their nursery, childminder, or health visitor/nursery/pre-school team well before they start Reception and discuss their needs when you are selecting schools.
- You can work with your child's early years setting to help your child with self-care, managing emotions, social skills, and communication in a way that suits their stage of development.
- You might want to share details about their development, needs, what motivates them, what might trigger difficulties, how they learn best, and what strategies work well.
- Make sure you share important information with everyone supporting your child, including their new Reception teacher.

Agencies we work with:

Young Minds - fighting for young people's mental health. Parenting isn't always easy! And it's OK to ask for / seek help. <https://www.youngminds.org.uk/parent/>

Mind - Even though 1 in 4 people have mental health problems, most of us don't get the help we need. This has to change. We're Mind. We're here to fight for mental health. For support, for respect, for you. <https://www.mind.org.uk/>

Place2be - Guided by our mission, vision, values and approach, we have provided mental health services in schools for over 30 years. <https://www.place2be.org.uk/>

CAMHS - Open Minds is the name for Calderdale CAMHS (Child & Adolescent Mental Health Services). Calderdale Open Minds is a partnership of organisations who are commissioned to deliver signposting, advice, and mental health interventions for children and young people aged 5 to 18 and their families. <https://openmindscamhs.org.uk/>

The SEND page also has links to SEND support: <https://woodhouse.calderdale.sch.uk/information/#special-educational-needs-disability>

Unique Ways - Supporting families with disabled children - Meeting other parents with a disabled child can be a huge source of support for families. Many families find it helpful to meet or chat with other families who are in a similar situation to them. Contact 01422 343030 <https://www.uniqueways.org.uk/>

CMBC - Local Offer

Local Offer for children with special needs and disabilities. The central place to access all information about the services and support available to children and young people with special educational needs and disabilities aged 0 - 25. <https://calderdalelocaloffer.org.uk/>

SENDIASS

The SEND (Special Educational Needs and Disabilities) Information, Advice and Support Service (formerly Parent Partnership Service) provides legally based, impartial, confidential and accessible information, advice and support for parents of children and young people with Special Educational Needs or Disabilities about education, health and social care. Contact details: 01422 266141 <https://www.calderdalesendiass.org.uk/>

Other agencies we work with:

Calderdale Sleep fairies: As part of the Unique Ways Offer, we have a fully qualified Sleep Practitioner who can provide one-to-one sessions with families that can help everyone get a better night's sleep. <https://www.uniqueways.org.uk/the-sleep-fairy/>

Family Support - Services and resources to help with children and young people. <https://new.calderdale.gov.uk/benefits/money/family>

Family Hubs - Wellholme Park Family Hub. Based in the heart of the Brighouse community, not far from Tesco, we offer a warm and welcoming environment where you can access a range of services. <https://calderdalefamilyhubs.org.uk/hub-locations/wellholme-park/>

Early Help - Early help services can be delivered to parents, children or whole families but their main focus is to improve outcomes for children. <https://www.calderdalechildcare.org.uk/kb5/calderdale/fsd/service.page?id=vCrVvLLz-Gw&newfamilychannel=0>

School Nursing Team - Our School Nursing Team in Calderdale is now known as Public Health Young People's Service (PHYPs) providing a range of support to children, young people, families and carers. <https://www.locala.org.uk/services/school-nursing/calderdale>

This definition was created collaboratively by

Resources for families with additional needs

There are many organisations who can support with information and strategies to prepare you, your child and their educational setting, ensuring a smooth transition and setting them up for future success.

These include:

- [Family Lives](#)
- [Speech and Language UK](#)
- [Dingley's Promise](#)
- [KIDS](#)
