In English this week, we have explored the importance of imperative verbs (command verbs – walk, cut, watch, dig etc.) when writing instructions 'We have planned our own version of 'How to Defeat a Frost Giant' and we have come up with a new equipment list and step-by-step guide to achieve this. We have enjoyed writing clear instructions collectively and next week, we will be writing a new set of instructions independently.

In Maths lessons this week, we have ordered numbers on a number line, thinking carefully about where numbers come between multiples of 10 (e.g. 25 is exactly half way between 20 and 30, 39 is closer to 40 than 30).

In Art, we have loved using tone and texture to draw our teddies and we have enjoyed finishing our Geography unit where we have explored if we'd prefer to live in a hot or cold place.

Thank you to everyone who is reading their school reading book at home and thank you to everyone who is spending time practicing their spellings at home.

Thank you for your continued support.

Miss Parker and Mrs Keane 😊
