

Dear Parent/Carers,

Our spellings for Monday's quiz are:

trapped	closed	running	playing
walked	helped	moving	shouting

In English this week, we have studied poetry. We have been reading poems based on themes such as Summer and have been learning about the structure of poems. The key features we have looked at have been finding thematic words, repetition and rhyming couplets. Next week, we will be writing our own poems focusing on these features and hopefully having some rhyming words.

In Maths this week, we have been problem solving using directions and positions. We have been following grids and maps whilst describing movements such as forward, backwards, left and right. As well as this, we have been using our time knowledge to learn turning clockwise and anticlockwise which has been a challenge at times.

Ron is on his way to school.

- a) Draw arrows to show the path Ron could take to school.  
b) Describe the path to a partner.  
Did you choose the same path for Ron?

On **Monday 30th June**, we have our sports events taking place between **9:30 and 10:30**. We look forward to seeing many of you there to join us in cheering on the children. A few of the children have been saying that their outdoor PE trainers are a little bit on the small side. With this in mind, please could we ask that you check with your child to make sure they have a comfortable pair of outdoor trainers, to enable them to be ready for Monday.

Thank you for your support,  
**Miss Stephenson, Mr Bale and the Year 2 Team**
