

## Year 2 Newsletter 11

Friday 28<sup>th</sup> November

Dear Parent/Carers,

Our spellings for Monday's quiz are:

Spellings: 24.11.25

Test: 01.12.25

This week's focus: adding -ed and -ing

played	stayed	tried	carried
taking	moving	baking	being

In English this week, we have started a new narrative writing unit. We have listened to a story called 'The Eagle Who Thought He Was A Chicken' and we have created story boards to help with remembering the sequences of the events. We then enjoyed interviewing each other by pretending to be the characters and asking how they were feeling at certain moments in the story.

In our Maths lessons this week, we have continued to explore the column method by applying our knowledge to subtraction number sentences. We have explored how to transfer this knowledge from our packets to paper, following the layout below.

e)	T	O			f)	T	O			g)	T	O			h)	T	O		
	1	9				7	8				3	5				7	8		
-	1	9			-	3	4			-	2	3			-	6	2		

We know that whether we are adding or subtracting, we always work with the **ones** first and then the **tens**.

For our Nativity performance, we will be wearing our costumes next week so can we please ask that all pupils bring in a white PE t-shirt and black shorts/trousers to wear underneath the costumes.

Thank you for your continued support. We look forward to seeing you at our Nativity performances next week.

Mrs Hardcastle, Mr Bale, Mrs Hirst, Mrs Hodgson and the Year 2 team 😊
