

Dear Parent/Carers,

Our spellings for Monday's quiz are:

Spellings: 20.4.26

Test: 27.4.26

This week's focus: Year 2 Common Exception Words

whole	wild	would	beautiful
-------	------	-------	-----------

In English this week, we continued to look at the picture book 'Clown' by Quentin Blake. This week, we looked at some of the characters in the book and used our amazing adjectives to describe their appearance. We described the dog in the story as well as the dog owner and used these ideas to create a descriptive paragraph.

In Maths, we have learnt how to present data (information with numbers) in different ways such as pictograms, tally charts and bar graphs. We learnt how to draw different graphs, how to interpret them to answer questions and about different situations in which each one might be useful. Here is an example of the type of question that we have had a go at answering! Can you think of a question that could be asked about the pictogram below?

Hair Colour		Total
Black	● ● ● ● ●	5
Blonde	● ● ● ● ● ● ●	
Brown		9
Ginger	● ● ● ●	4

Key

● = 1 person

As you may have noticed from some of the children's uniforms, we are well into our new Art topic 'Sculpture and 3D', which is all about moulding, shaping and manipulating clay. The children are really enjoying getting their hands stuck into this topic, quite literally! So far, we have attempted to create models of different shapes, as well as making clay pots.

Thank you for your support,

**Mrs Hardcastle, Mr Bale and the Year 2 Team**
